

How to Get Your Community Involved:

National Hunger and Homeless Awareness Week *November 11-17, 2007*

Check out the National Coalition for the Homeless at:
www.nationalhomeless.org.

On this website, you will find a calendar of events, special projects, and resources available.

Attached is a manual from the National Coalition for the Homeless. It is our hope that this manual will be a guide to suggested National Hunger and Homeless Awareness Week activities. Additional manuals can be printed by going to:
